# Tool Holders For Aluminium Profiles & ECO Tubes

## Always within reach

A well-organized workplace is the heart of every successful workshop. **Our new tool holders are the perfect solution to keep your tools** always at hand and tidy. Manufactured with a delicate design, the tool holders are characterized by robustness and durability.

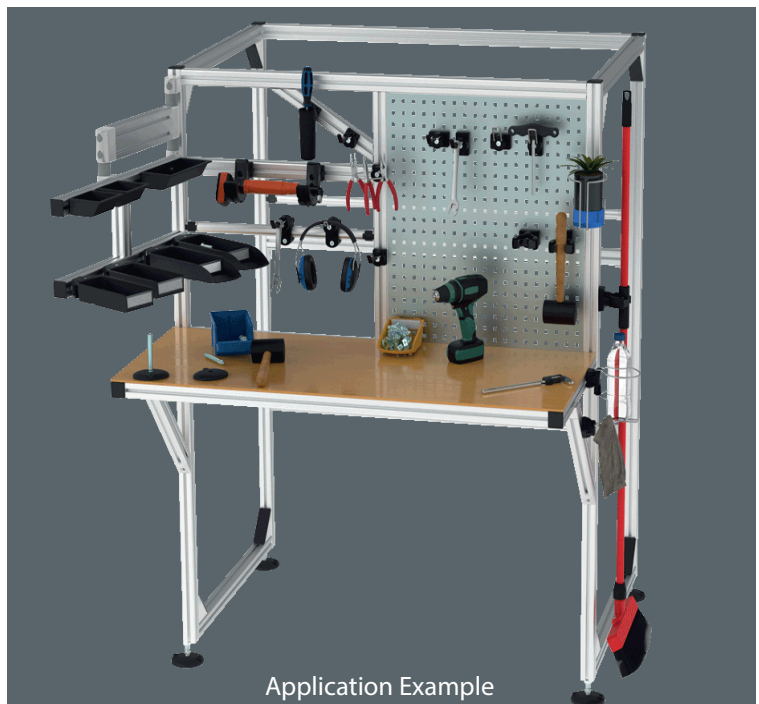

These versatile tool holders are suitable for a **wide range of tools** – whether screwdrivers, pliers, hammers, or wrenches, everything finds its place. The thoughtful design allows for easy mounting on **profiles with grooves**   **as well as round tubes with a diameter of 28 & 30 mm**, so you can optimally equip your existing solutions.

With our tool holders, you always have your tools **safely and ready to use**. This not only saves time but also ensures more efficiency in your workflows. No more lost tools, no more frustrating searches – your tools are always in place and ready to use.

Tool Hook 7/38 - 24  
Item No.: 07.01816.00

Application Example

## What's Special About Our Tool Holders?

- Easy & Quick Installation for various combination possibilities when setting up an equipment landscape.
- Compatibility with aluminium profiles with grooves   as well as established round tube systems on the market with diameters of 28 & 30 mm.
- Flexible Application options for ergonomic tool retrieval.
- 360° Rotation capability allows connection to both horizontal and vertical supports.
- Modular Design enables quick exchange of functional modules from the mounting module.

## LEANPLUS

**6S Methodology**  
for implementing a  
productive working  
approach

**Visualization**  
of missing tools to  
reduce search times

**Minimization**  
of waste through  
systematization of tool  
arrangement

**Ergonomics**  
through simplified  
removal and return  
of tools

With one grip, the right tool in the shortest time:  
Our tool holders combine flexible application possibilities with a  
thoughtful design.

**INFORM NOW!**

We are always available to answer any questions you may have.

## Technical Specifications

# Tool Holders for Aluminium Profiles & ECO Pipes

### Material

- Holder: Plastic PA, glass sphere reinforced
- Wire: Stainless steel 1.4301
- Compression spring: Spring steel 1.4310
- Screw & nut: Steel, galvanized
- Groove fixation: Plastic PA, glass fiber reinforced
- Rubber coating: PVC coated

### Tool hook 24/16 - 12

08.01116.00	for ECO pipes Ø 28 & 30 mm
07.01813.00	for profiles groove  

### Tool hook 66/27 - 13

08.01123.00	for ECO pipes Ø 28 & 30 mm
07.01814.00	for profiles groove  

### Tool hook 66/27 - 13

08.01113.00	for ECO pipes Ø 28 & 30 mm
07.01815.00	for profiles groove  

### Tool hook 7/38 - 24

08.01110.00	for ECO pipes Ø 28 & 30 mm
07.01816.00	for profiles groove  

### Tool hook 59/19 - 24

08.01109.00	for ECO pipes Ø 28 & 30 mm
07.01817.00	for profiles groove  

### Tool hook 17/57 - 24

08.01111.00	for ECO pipes Ø 28 & 30 mm
07.01818.00	for profiles groove  

### Tool hook D80

08.01120.00	for ECO pipes Ø 28 & 30 mm
07.01819.00	for profiles groove  

### Tool double hook R35 - 67

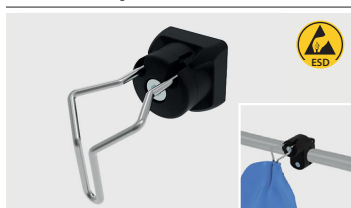

08.01115.00	for ECO pipes Ø 28 & 30 mm
07.01820.00	for profiles groove  

### Tool hook R35 - 27

08.01114.00	for ECO pipes Ø 28 & 30 mm
07.01821.00	for profiles groove  

### Cloth clamp

08.01112.00	for ECO pipes Ø 28 & 30 mm
07.01822.00	for profiles groove  

### Bottle holder

08.01117.00	for ECO pipes Ø 28 & 30 mm
07.01823.00	for profiles groove  

### Packing tape dispenser holder

08.01124.00	for ECO pipes Ø 28 & 30 mm
07.01824.00	for profiles groove  

### Tool tray PARABOL

08.01122.00	for ECO pipes Ø 28 & 30 mm
07.01825.00	for profiles groove  

### Broom holder FLEX 20 - 30

08.01118.00	for ECO pipes Ø 28 & 30 mm
07.01826.00	for profiles groove  

### Tool holster D50

08.01121.00	for ECO pipes Ø 28 & 30 mm
07.01827.00	for profiles groove  

### Screwdriver holder D50

08.01125.00	for ECO pipes Ø 28 & 30 mm
07.01828.00	for profiles groove  

### Foil cutter

08.01119.00	for ECO pipes Ø 28 & 30 mm
07.01829.00	for profiles groove  

Improve the functionality and efficiency of your production with our high-quality accessories for tool holders, such as **labeling elements, processing and assembly tools, gripping and swiveling arms, etc.**

Are you looking for **intelligent and innovative complete solutions** for workplace design? We gladly plan and develop meaningful workplace environments for both people and processes.

Contact us today and experience how simple and effective organization can be.
